EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information required on the manifest Forms 1500, 1500-A, and 1500-B (new numbers 500, 500-A, and 500-B) so far as it relates to the classification of aliens and tourists should be made in accordance with the following directions. The number of the column on the manifest is given in each case at the beginning of the paragraph in parentheses, in all cases up to and including column 7, the descriptive title appearing briefly the subject to which it relates.

Column 3 (Age).—The figures of age in column 3 should be entered as years at last birthday, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be "M" for male or "F" for female.

Column 5 (Married or single).—The entry in column 5 should be "M" for married, "S" for single, "W" for widowed, or "D" for divorced.

Column 6 (Calling or occupation).—The entry in column 6 should show specifically what each alien is able and intends to do for a living. Persons of all ages, if they have any occupation, trade, or profession, should be credited therewith, the terms used being the same as those applying to adults. Thus, a boy who has been employed as an engineer, stationary engineer, locomotive engineer, fireman, machinist, wood turner, etc., should be credited with that occupation, trade, or profession, and not merely as a laborer. So a girl employed in a factory as a stitcher, finisher, operative, or in any other capacity should be credited with that occupation, and not merely as a laborer, or other indefinite designation.

A distinction should be made between farmers and farm laborers, the latter including the classes commonly designated as farm hands, farm laborers, etc., and the former including all persons actually conducting farms, whether as owners, managers, or tenants, and whether they work with their hands or merely superintend the work of others. The amount of money shown as follows:

A *farmer* is one who owns or rents a farm, either for himself or for others.

A *farm laborer* is one who works on a farm for wages, salary, or share of the product.

Steamship companies should make this distinction on the manifests, and inspectors should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write).—Column 7 is subdivided and the entry to be given should be either Yes—Yes, can read and write), No—No, can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

Spanish-American.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information required in the manifests (Forms 1500, 1500 A, and 1500 B, new numbers 500, 500 A, and 500B) — so far as it relates to alien arrivals, including those in transit and tourists, should be made in accordance with the following instructions. The number of the column on the manifest is given in these special instructions next to the head, in parentheses, in all cases up to and including column 16, to a descriptive title indicating briefly the subject to which it relates.

Column 3 (Age).—The entry of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M for male or F for female.

Column 5 (Married or single).—The entry in column 5 should be either M, married; S, single; W, widowed; or D, divorced.

Column 6 (Calling or occupation).—The entry in column 6 should describe as far as practicable the occupation, trade, or profession of each alien arrival, as "laborer," "farmer," "clerk," "merchant," "engineer," "mechanic," "servant," "tailor," "seamstress," "milliner," "dressmaker," "shoemaker," "boot and shoe worker," "glass worker," "cabinetmaker," "upholsterer," "painter," "glazier," "potter," "miner," "stone mason," "stone cutter," "stone polisher," "blacksmith," "carpenter," "machinist," "locksmith," "gunsmith," "moulder," "weaver," "dyer," "designer," "draughtsman," "printer," "bookbinder," "engraver," "butcher," "baker," "cook," "barber," "clerk," "salesman," "merchant," "peddler," "gardener," "horticulturist," "florist," "nurseryman," "farmer," "farm laborer," "turner," or other definite designations.

A distinction should be made between *farmer* and *farm laborer* regardless of the amount of money she may have in her possession.

A farmer is one who owns or rents a farm, either for personal occupancy or for the employment of others.

A farm laborer is one who works on a farm for wages paid by the owner or renter.

Steamship companies should make this distinction on the lists of cabin passengers, and it should be made if necessary by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write).—Column 7 is subdivided and the entry in each should be either Yes or No. Yes, can read and write. No, No, can neither read nor write. Yes, No, can read but not write.

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not a country of last permanent residence, as given in list on reverse side of alien manifest.

Column 9 (Race or people).—The entry in column 9 should show the race or people.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean French by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

Spanish-American embraces the Mexican, Central American, and South American peoples.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information required in the manifest Forms Nos. 12a A and 12a B must be given in the order as A and as B, as the case may be, and no variation will be permitted.

Answers should be made in a clear, legible manner, using ink. Each question must be answered in the column off the numbered (printed) lines, and nothing else must be inserted in parentheses, in addition to the answer required, except as hereinafter directed.

In filling the manifest, the following directions must be carefully observed:

Column 1 (*Number*).—The entries in column 1 should be numbered consecutively, beginning with 1 and the latter appearing on the last line of the last page.

Column 2 (*Name*).—The entries in column 2 should be made in the following order: Last name, first name, and middle name or initial, if any. If a middle name is not known, the fact should be indicated by the letters "N. M." (no middle name). Titles, such as Mr., Mrs., Miss, Dr., etc., should be omitted. Initials should be followed by periods. Common abbreviations, such as Jas. for James, Thos. for Thomas, Wm. for William, etc., should be avoided. Names should be written in full, as they are commonly spelled in the country whence the alien comes. Surnames should be given first, followed by a comma and then by the given name or initials. Such designations as "Mrs." or "Mr." should not be added to the names of married women, but the maiden name should be given in addition to the married name, thus: "Mary Brown, nee Smith." Nicknames should not be used in place of given names, but may be added in parentheses after the given name, thus: "Richard (Dick) Roe." Designations of rank or title, such as "Count," "Baron," "Prince," etc., should be entered after the name, thus: "John Doe, Count." Professional titles, such as "Rev.," "Prof.," "Dr.," etc., should be entered before the name, thus: "Rev. John Doe." Military or other titles should be entered after the name, thus: "John Doe, Major." Where persons have two or more titles, all should be given, thus: "Rev. John Doe, Major, Count." Heads of families should be entered first, followed by their wives and children, and other members of the family, and the names of each should be preceded by the appropriate designation, as "Head of family," "Wife," "Child," "Father," "Mother," "Brother," "Sister," "Grandfather," "Grandmother," "Uncle," "Aunt," "Cousin," "Servant," etc. Each person, whether accompanied by relatives or friends or traveling alone, must be entered on a separate line, and the names of relatives or friends must not be entered on the same line with the head of the family or other relative or friend accompanying him or her.

A distinction should be made between "Farmer," "Farm laborer," and "Farm laborer."

Farmer.—A farmer is one who owns or rents a farm and cultivates it.

Farm laborer.—A farm laborer is one who works on a farm for wages, salary, or share of the products.

Steamship companies should make the distinction in the manifest, and alterations should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 4 (Able to read and write).—Column 4 is subdivided and the entries therein should be either Yes—Yes, can read and write; No—No, can neither read nor write; or Yes—No, can read but not write.

Column 8 (Nationality).—Column 8 should be construed to mean the country of which the immigrant is a citizen or subject and not the country or last permanent residence.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race may, in fact, be a native of France, but he would properly come under the heading of United Kingdom, or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

[illegible]

Column 3 (Age).—The return of age in [illegible] is to be expressed in years or months, the latter appearing only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married) or S (single, widowed, or divorced).

Column 6 (Calling or occupation).—The entry in column 6 should be given as accurately as possible the occupation, trade, or profession of the alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, machinist, brass polisher, cloth polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write); No—No (can neither read nor write); or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean French by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies (other than Cuban and Negroes).

[illegible]

The people who are native to that portion of Italy [illegible] Liguria, Tuscany, Marches, Umbria, Latium, Abruzzi, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and those from Switzerland should be classed as Italian (south).

Column [illegible] (last residence).—The entry in column [illegible] should show the country and city or town of last permanent residence, instead of the province, city, or town.

Column [illegible] (Final destination).—The entry in column 11 should show definitely the place, city, or town of final destination.

Column [illegible] (If either having a ticket to such final destination).—The entry in column 12 should be either Yes—ticket, or No—no ticket.

Column [illegible] (By whom was passage paid).—The entry in column 13 should show definitely by whom passage was paid as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column [illegible] (If in possession of $50, and if less, how much).—The entry in column 14 should give, in each case individual or family, the exact amount of money shown.

Money brought by the head of a family, or child not to be divided among the several members of the family.

Column [illegible] (Whether ever before in the United States, and if so, when and where).—The entries in column 15 should show whether or not Yes or No in the United States before, and if so, the year or period of years and place, as 1901 to [illegible] Philadelphia.

Column [illegible] (Going to join relative or friend, and if so, what relative or friend, etc.).—The entry in column 16 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information required in the manifest [illegible] 300 A and 300 B [illegible] relates to [illegible] and tourists, should be made in accordance with the following [illegible] The number of the column in the manifest is given in [illegible] followed, in parentheses, by the [illegible] indicating briefly the subject to which it relates.

Column 3 (Age).—The [illegible] months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column [illegible] M [illegible] F [illegible]

Column 5 (Married or single).—The entry in column [illegible] M [illegible] S [illegible] single, W [illegible] widowed, [illegible] or D [illegible] divorced.

Column 6 (Calling or occupation).—The entry in column 6 should be [illegible] as accurately as possible the occupation, trade, or profession of each [illegible] alien arrival. Such terms as "Civil engineer, stationary engineer, locomotive engineer, mining engineer," "Educated polisher, iron molder, wood turner," etc., and not simply "engineer," "polisher," "molder," "turner," or other indefinite designations.

A distinction should be made between *farmer* and *farm laborer*, about which there is frequently a question, the former implying the ownership of a farm, either for himself or others, and the latter simply working on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPECIAL INSTRUCTIONS [illegible]

The [illegible] should be carefully revised by inspectors and corrected, where necessary, by inspectors at the special examination of alien arrivals.

Column 1 [illegible]—Column 1 should be filled in [illegible] Yes—No can read [illegible] No.

Column 2 [illegible]—Column 2 should be answered in person [illegible] of which immigrant is a citizen or subject and not a temporary or permanent resident.

Column 3 [illegible]—The entry in column 3 should show the race or people as given in [illegible] reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and corrected, where necessary, in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" apparently on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

WEST INDIAN.

"West Indian" refers to the people of the West Indies [illegible] other than Cuban [illegible] Negroes.

SPECIAL INSTRUCTIONS FOR FILLING OUT MANIFESTS.

The information required in the manifest of aliens (Form A and Form B now in force) by Sec. A and Sec. B, contained in Section [illegible] and Immigrants, should be made in accordance with the following instructions. The number of the column on the manifest is given in these special instructions, and is also followed, in parentheses, in all cases where the word is printed in full on the manifest, thus indicating beside the subject to which it relates.

Column 4 (Age). The return of age in completed years should be expressed in years or months, the latter applying only to children under 1 year of age.

Column 5 (Sex). [illegible]

Column 6 (Married or single). The entry in column 6 should be either M (married) S (single), Wd (widowed), or D (divorced).

Column 9 (Calling or occupation). The entry in column 9 should describe as accurately as possible the occupation, trade, or profession of each alien, whether he is a laborer, clerk, engineer, stationary engineer, merchant, professional man, farmer, [illegible] tailor, seamstress, painter, printer, weaver, turner, etc., and not simply a laborer, mechanic, or professional man, unless no other definite description can be given.

A distinction should be made between *farmers* and *farm laborers* regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either his own or that of others.

A farm laborer is one who works on a farm for the most wages obtainable.

Steamship companies should make the above distinctions in the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of aliens on arrival.

Columns 10 (Able to read and write). Columns 10 and 11 are to be used to show whether each alien can read and write. The entry in column 10 should be either Yes—Yes can read and write, No—No cannot read nor write, or Yes—No can read but not write.

Column 8 (Nationality). Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country last permanently resided in.

Column 9 (Race or people). The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR NO. 43.

SPECIAL INSTRUCTIONS FOR FILLING IN MANIFESTS.

The information returned on the manifest forms [illegible] and [illegible] new numbers [illegible] 30 to 36, inclusive, and 38 to 40, inclusive, as it relates to aliens departing from the United States and territories, should be made in accordance with the following classification. The number of the column on the manifest is given in these special instructions, and is followed, in parentheses, in all cases up to and including column 16, by a brief descriptive title indicating briefly the subject to which it relates.

Column 3 (Age).—The return of age in infants under 1 year old is to be expressed in years or months, the latter applying only to those under 2 years of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married) or S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien, as, for example, Civil engineer, stationary engineer, locomotive engineer, machinist, mason, painter, steel polisher, ironmolder, wood turner, cabinetmaker, tailor, tailoress, printer, moulder, farmer, or other definite designation.

A distinction should be made between *farmers* and *farm laborers* in regard to the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction in the manifests and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information required on the manifest (Immigration Laws A and 1903 B, now numbered 598 A and 598 B so far as it relates to) [illegible] should be filled in by the master and agents should be made in accordance with the following instructions. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 6, by a descriptive title indicating briefly the subject to which it relates.

Column 4 (Age).—The return of age in column 4 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (Sex).—The entry in column 5 should be either M, male, or F, female.

Column 6 (Married or single).—The entry in column 6 should be either M, married, S (single), W (widowed), or D, [illegible].

Column 7 (Calling or occupation).—The entry in column 7 should describe as accurately as possible these occupations, trade, or profession of each person as for example: Civil engineer, stationary engineer, locomotive engineer, carpenter, cabinet maker, tinsmith, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 8 (Able to read and write).—Column 8 should be ruled and the entries therein should be either Yes—Yes can read and write. No—No can neither read nor write, or Yes—No can read but not write).

Column 9 (Nationality).—Column 9 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

Column 10 (Race or people).—The entry in column 10 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

Spanish-American refers to the people of Central and South America, Mexico, and Spanish West Indies.

ARMENIAN.

Armenian refers to the Asiatic Armenians and those people of Armenian descent from the Asiatic Provinces of Turkey, Persia, and Russia, and not to Armenians from European countries, who should be classed as "Russian," "Austrian," "Turkish," etc.

SYRIAN.

The people who are native to the provinces of Syria and Palestine, Asiatic Turkey, including the compartments of Lebanon, Turkey Mesopotamia, Arabia, Armenia, Mount Lebanon, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and Greece, should be classed as "Syrian."

Column 11 (Last residence).—The entry in column 11 should show the country, city, or town of last permanent residence, instead of the place of birth.

Column 12 (Final destination).—The entry in column 12 should show destination, by place, city or town, of final destination.

Column 13 (Whether having a ticket through to final destination).—The entries in column 13 should be either Yes—ticket, or No—no ticket.

Column 14 (By whom passage was paid).—The entry in column 14 should show definitely by whom passage was paid as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 15 (Have in possession $50 and if less how much).—The entry in column 15 should show in each case individual or family the exact amount so shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 16 (Whether ever before in the United States, and if so, when and where).—The entries in column 16 should show whether or not Yes or No in the United States before; and if so, the year or period of years and place, as, 1891-95, Philadelphia.

Column 17 (Going to join relative or friend, and if so, what relative or friend).—The entry in column 16 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 17 to 35.—The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information required on the manifest (Forms 500 A and 500 B, now numbers 500, 500 A, and 500 B) so far as it relates to alien arrivals, including those in transit and tourists, should be made in accordance with the following classification. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, by all cases up to and including column 10, by a descriptive title indicating briefly the subject to which it relates.

Column 4 (Age).—The return of age in column 4 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (Sex).—The entry in column 5 should be either M (male) or F (female).

Column 6 (Married or single).—The entry in column 6 should be either M (married) S (single), Wd (widowed), or D (divorced).

Column 7 (Calling or occupation).—The entry in column 7 should be as nearly as practicable the occupation, trade, or profession of each alien arriving, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, stage driver, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designation.

A distinction should be made between *farmers* and *farm laborers* regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction in the manifests and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes can read and write; No—No can neither read nor write; or Yes—No can read but not write.

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be carefully observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies (other than Cuban, not Negroes).

SPANISH-AMERICAN.

Spanish-American refers to the people of Central and South America and Spanish descent.

AFRICAN (BLACK).

African (black) refers to the Negro races coming from Africa.

ISLAND OF CORSICA.

The people who are natives of the island of Corsica, a possession of France, are to be reported as Corsican, and not as French.

ARMENIAN.

The people who are natives of that portion of Asia south of the Caucasus Mountains and west of Persia, including Armenia proper, Turkish Armenia, Russian Armenia, and Armenians residing in Turkey in Asia, Syria, Palestine, or other countries, are to be classed as "Armenian" race. Many of these people speak Turkish, Arabic, or Kurdish, but are not to be classed as Turkish, Arabic, or Kurdish.

SYRIAN.

The people who are natives of that portion of Asia south of the Caucasus Mountains and west of Persia, including Armenia proper, Turkish Armenia, Russian Armenia, and Armenians residing in Turkey in Asia, Syria, Palestine, or other countries, are to be classed as "Armenian" race. Many of these people speak Turkish, Arabic, or Kurdish, but are not to be classed as Turkish, Arabic, or Kurdish.

Column 10 (Last residence).—The entry in column 10 should be the country, and city or town of last permanent residence, instead of the preceding city or town.

Column 11 (Final destination).—The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (Whether in possession of ticket to final destination).—The entry in column 12 should be either Yes—Yes ticket or No—No ticket.

Column 13 (Whether in possession of $50, and if less, how much).—The entry in column 13 should show in each case individual or family the exact amount. Amounts shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 14 (Whether ever before in the United States, and if so, when and where).—The entries in column 14 should show whether or not (Yes or No) in the United States before; and if so, the year or period of years, and place; as 1894-97, Philadelphia.

Column 15 (Going to join relatives or friends, and if so, what relatives or friends).—The entry in column 15 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 16 to 20.—The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

Column 3 (Age).—The returns of age (including 1 month) should be expressed in years or months, the latter applying only to those under 1 year of age.

Steamship companies should make this distinction on the manifests and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and errors corrected in this regard. For instance, "France" appearing on a manifest as country to which [illegible] means "French" by nationality. An alien who is Irish, German, or Hebrew by race or people, and similarly, "French" appearing on a manifest as race or people does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race ought properly come under the heading of United Kingdom or some other country by nationality. In this connection the following discussion should be specially considered:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies (other than Cuba, not Negroes).

The number of the column on the manifest is given in these special instructions in italics, followed in parentheses by any reference to and numbering of figures or words given in the indicating [illegible] the subject [illegible] is to relate.

Column 3 (Age).—The entry of age in column [illegible] and be expressed in years or months, the latter designating [illegible] less than [illegible] old.

Column 4 (Sex).—The entry in column 4 should be M male or F female.

Column 5 (Married or single).—The entry in this column should be M for married, S single, Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should state as accurately as possible the occupation, trade or profession of each person above 15 years of age, as, for example, Civil engineer, stationary engineer, locomotive engineer, machinist, bricklayer, carpenter, skilled laborer, iron molder, wood turner, clerk, and not simply as engineer, painter, soldier, laborer, or other indefinite designation.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction in the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Columns 7 (Able to read and write).—Column 7 is subdivided [illegible] and the entries therein should be either Yes—Yes can read and write; Yes—No can read but not write; or No—No can neither read nor write.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people, not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba, not Negroes.

SPECIAL INSTRUCTIONS FOR FILLING OUT MANIFESTS.

The information required under manifest Forms [illegible] and [illegible] is self-explanatory, and needs no comment beyond the following:

The columns headed "Whether a citizen of the United States" and "Whether going to join a relative or friend" should be answered "Yes" or "No," as the case may be. The number of the column on the manifest is given in each special instruction which is followed, in parentheses, by all cases where it is required to be answered, the answer to be indicated by the sign (×).

Column 4 (Age).—The ages of infants under 1 year should be expressed in years or months, the latter appearing as "6 months," "7 months," etc.

Column 10 (Race or people).—The entry in column 10 should show the race or people as given in list on reverse side of alien manifest.

For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people and not to race.

WEST INDIAN.

"West Indian" refers only to people of the West Indies, and not to Cuba and Nicaragua.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information returned on the manifest (Forms 1500, 1500 A and 1500 B, new numbers 500, 500 A, and 500 B), so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write). No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence, as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (Black)" refers to the African Negro, whether coming from Cuba or the islands of the West Indies, North or South America, Europe, or Africa. Any admixture of appearance indicates an admixture of negro blood and should be classified under this heading.

ITALIAN—NORTH.

The people who are native to the north of the River Po, i. e., northern Italy, or compartments of Piedmont, Lombardy, Venetia, and Emilia, and all Italians of these districts residing in Italy, Switzerland, Austria-Hungary, or other European country, should be classed as "Italian, north." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN—SOUTH.

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia), and their descendants should be classed as "Italian, south."

Column 9 (Race or people).—The entry in column 9 should show the race or people of which the alien is a member. Specific races or peoples should be entered, as Bohemian, Dalmatian, Finnish, Hebrew, Irish, Scotch, Welsh, etc. (See list of races or peoples, page 3.)

Column 10 (Last residence).—The entry in column 10 should show the *country and city or town* of last permanent residence, instead of the province, city, or town.

Column 11 (Final destination).—The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (Whether having a ticket to such final destination).—The entry in column 12 should be either Yes (ticketed) or No (no ticket).

Column 13 (By whom was passage paid).—The entry in column 13 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 14 (Whether in possession of $50, and if less, how much).—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States; and if so, when and where).—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year or period of years and place; as, 1894-97, Philadelphia.

Column 16 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 17 to 42.—The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

SPECIAL INSTRUCTIONS FOR PREPARING MANIFESTS.

The information returned on the manifest (Forms 6 to 6 A and 6 to B, so far as it relates to alien arrivals, including those in transit and transfer, should be made in accordance with the following explanations. The number of the line opposite the name is given in italics as a special instruction and is to be followed in the passage in all cases of couples including couples made by a descriptive title indicating briefly the subject to which it relates.

Column 1. Age. The return of age in infancy should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 2. Sex. The entry in column 2 should be either M (male) or F (female).

Column 3. Married or single. The entry in column 3 should be either M (married), S (single), W (widowed), or D (divorced).

Column 4. Calling or occupation. The entry in column 4 should describe as accurately as possible the occupation, trade, profession, or other calling of each alien, as for example: Civil engineer, clerk, cook, domestic servant, engineer, farmer, farm laborer, gentleman, journalist, laborer, lawyer, merchant, miner, musician, nurse, painter, physician, servant, skilled laborer, stenographer, tailor, teacher, tinsmith, weaver, wheelwright, or other calling, specifying the kind of laborer, as cotton, general, railroad, or other laborer, and not simply as laborer. Specify whether cabinetmaker, carpenter, engineer, machinist, mason, miller, painter, shoemaker, tailor, or other mechanic. Do not use the terms "mechanic" or "artisan" alone, but specify the particular kind of mechanic, as blacksmith, carpenter, engineer, machinist, mason, miller, painter, shoemaker, tailor, or other mechanic.

A distinction should be made between *professions* and *pursuits* regardless of the amount of money involved.

A professor is one who [illegible] or others.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and transfer clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is a Jew, German, or Hebrew by race might properly come under the heading of United Kingdom, or any other country in nationality. In this connection the following [illegible] should be specially observed:

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43

The information required on the manifest (Forms 501, 502 A, and 502 B), so far as it relates to alien arrivals, including those in transit and laborers, should be made in accordance with the following instructions. The number of the passenger on the manifest is given in these special instructions and is followed in parentheses in all cases by a word indicating exactly the subject to which it relates.

Column 4 (Age). The entry should be expressed in years or months, the latter applying only to children under 1 year of age.

Column 5 (Sex). The entry is either M (male) or F (female).

Column 6 (Married or single). The entry should be either M (married) or S (single). Widowed and divorced persons should be entered as single.

Column 7 (Occupation). The object of this column is to ascertain as accurately as possible the occupation of each alien who can be classified as a skilled laborer. Thus, a mechanic, engineer, carpenter, cabinetmaker, tailor, painter, miner, blacksmith, shoemaker, weaver, stonecutter, steel polisher, iron worker, machinist, printer, potter, glassblower, tinsmith, turner, or other laborer should be so described.

A distinction should be made between skilled and unskilled laborers, regardless of the amount of money they have with them. Thus—

A farmer should be entered as such.

A farm laborer should be entered as such, whether he can operate a farm or not.

Seamstresses, compositors, and other skilled laborers should be entered as such, regardless of the possession of sufficient money to pay their way, and without reference to the question whether they intend to follow their trades or not.

Column 8 (Can read and can not read). Every alien who can read some language should be entered as such. Those who can not read any language should be entered as illiterate. Young children should be entered as neither. Yes—No.

Column 9 (Nationality). The word "nationality" is here used to mean the country of which the immigrant is a citizen or subject.

Column 10 (Race or people). Under this column should be given the race or people to which the immigrant belongs, as given in list on page 4.

Special attention should be given to the proper entry of nationality and race or people, as these items are frequently confused. In this connection the following instructions should be carefully noted. In this regard it manifests should be carefully revised by [illegible] in this regard. For instance, "France" appearing on manifest as country from which sailed. French is race or people, and similarly, "French" appearing on manifest does not necessarily mean "France" as nationality. An alien coming from Germany, or Hungary, or Russia, or Italy might properly come under the heading of [illegible] as to race or people, but not as to nationality. In this connection, the following specific instructions are given:

The term "German" refers to the German people [illegible]

WEST INDIAN.

"West Indian" refers to the people of the West Indies, and not Negroes [illegible]

SPANISH-AMERICAN.

"Spanish-American" refers to people [illegible] Central America, Cuba, Porto Rico, and the Spanish islands in the West Indies. Negroes [illegible] a separate subdivision.

NEGRO.

The people who are not [illegible] Negroes.

Italian, north. Mon[illegible]

Italian, south. The [illegible] Italy, Sicily, and Sardinia.

The exception [illegible] Mexico, Central and South America, and the West Indies, who are to be entered as Spanish-American, Cuban, West Indian, or Negro, according to the facts in each case.

Hebrew. Under this head should be entered all persons who are Hebrews by religion, no matter what may be their race or people. Thus, a Russian Hebrew should be entered as Hebrew, and not as Russian. Hebrews by race, but not by religion, should be entered as to the country from which they came, as Germany, England, etc.

Stowaways. Stowaways should be entered in the manifest by the letter S, and should be numbered consecutively, beginning with the number next following the number of the last alien passenger. They should be entered at the end of the list of passengers, and the fact that they are stowaways should be stated in the column for remarks.

Column 11 (Last residence). The entry should show the country in which the alien had his last residence before coming to the United States. If he has resided in a foreign country for one year or more, that country should be entered in this column. If he has resided in a foreign country for less than one year, the entry in column 10 should show his race or people, and the entry in this column should show what country he last resided in with name and character of [illegible]

Columns 12 to [illegible]. The answers in these columns are to be required [illegible] inspection officers in the examination of immigrants.

SPECIAL INSTRUCTIONS FOR FILLING OUT MANIFESTS.

The information required on the manifest (Forms 500, 500 A, and 5... B), so far as it relates to alien arrivals (including those in transit and foreign), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions, and is followed in parentheses by the words used and including column 6, by a descriptive title indicating briefly the subject to which it relates.

Column 4 (Age). The entry in this column should be expressed in years or months, the latter appearing only in the case of children under 1 year of age.

Column 5 (Sex). The entry in column 5 should be either M (male) or F (female).

Column 6 (Married or single). The entry in this column should be either M (married) or S (single). Widowed or divorced persons should be returned as single.

Persons who have retired from business should be returned as such, stating the previous occupation, as "retired merchant," "retired farmer," etc. Persons having no occupation, but living on their income, should be returned as such. Do not return as laborers persons who have been in business for themselves, such as merchants, manufacturers, etc., even though they may be actually engaged in manual labor at the time of sailing. Do not return as laborers persons who have been engaged in professional pursuits, such as lawyers, physicians, clergymen, teachers, etc., even though they may be seeking employment as laborers at the time of sailing. Persons who have been engaged in clerical occupations, such as bookkeepers, clerks, copyists, etc., should be returned as such, even though they may be seeking employment as laborers at the time of sailing. Persons who have been engaged in agricultural pursuits, such as farmers, planters, stockmen, etc., should be returned as such, even though they may be seeking employment as laborers at the time of sailing. Persons who have been engaged in mechanical pursuits, such as carpenters, blacksmiths, machinists, etc., should be returned as such, even though they may be seeking employment as laborers at the time of sailing. Persons who have been engaged in commercial pursuits, such as salesmen, agents, etc., should be returned as such, even though they may be seeking employment as laborers at the time of sailing. Persons who have been engaged in transportation pursuits, such as railroad employees, teamsters, etc., should be returned as such, even though they may be seeking employment as laborers at the time of sailing. Persons who have been engaged in domestic pursuits, such as housekeepers, servants, etc., should be returned as such, even though they may be seeking employment as laborers at the time of sailing. Persons who have been engaged in any other occupation should be returned as such, even though they may be seeking employment as laborers at the time of sailing.

Column 8 (Can read). The entry in this column should be either Yes or No. Persons who can read only should be returned as "can read," and those who can read and write should be returned as "can read and write."

Column 9 (Can write). The entry in this column should be either Yes or No. Persons who can write only should be returned as "can write," and those who can read and write should be returned as "can read and write."

Column 10 (Nationality). The entry in this column should be understood to mean the country of which an immigrant is a citizen or subject.

Column 11 (Race or people). The entry in this column should show the race or people as given in 1st, 2d, 3d, and 4th columns of Rule 34.

Special attention should be paid to the distinction between race and nationality, and manifests should be so prepared as to show the race or people in the second column. For instance, "England" is the name of a nationality, but not of a race or people, and similarly, "France" and "German" do not necessarily mean "France" or "Germany" by nationality. An alien whose last residence was Germany or Hungary might properly come under the heading of "Hebrew" as regards race or people, irrespective of nationality. In this connection the following should be especially observed:

The term "Cuban" refers to the Cuban people.

WEST INDIAN.

"West Indian" refers to the people of the West Indies, not to the islands or to Cuba and Nicaragua.

SPANISH AMERICAN.

Spanish American refers only to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

African (black) refers to the Negro race, not to the islands of the West Indies, Nicaragua, Cuba, or other countries in which Negroes reside.

ITALIAN (NORTH AND SOUTH).

The people of Italy are naturally divided into two races, the Latin and the Teutonic. The Latin race is composed of the people of Piedmont, Liguria, Lombardy, Venetia, Tuscany, Umbria, Marches, Rome, Abruzzi, Campagna, Molise, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and is known as the Italian (south). Most of the people speaking the Italian language in Italy, Switzerland, Austria, and Hungary belong to the Latin race, and are known as Italians (south).

HEBREW AND JEW.

The people who are known as Hebrews or Jews are not properly designated as to race or people by the term Hebrew or Jew. Many of them are natives of countries in which they have resided for generations, and should be returned as to race or people according to the country in which they have their permanent home, as Germans, Russians, Spaniards, Turks, Englishmen, Americans, etc. Only those who have recently resided in countries in which they have been oppressed on account of their religious belief should be returned as Hebrews or Jews.

Column 12 (Last residence). The entry in this column should be either Yes or No. Persons coming to the United States for the first time should be returned as Yes. Persons coming to the United States for the second time should be returned as No.

Column 13 (Going to). The entry in this column should show the name of the city or town to which the alien is going, and not merely the State.

Column 14 (Ever in U. S.). The entry in this column should be either Yes or No. Persons coming to the United States for the first time should be returned as No. Persons coming to the United States for the second time should be returned as Yes.

Column 15 (Whose ticket). The entry in this column should show whether the ticket is paid for by the alien himself or by some relative or friend, with name and complete address.

Column 16 (Money). The answers in this column are subject to revision by the inspection officer in the examination of immigrants.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43

The information required on the manifest Forms 500, 501, and 502 B, so far as it relates to alien passengers, including those in transit, should be made in accordance with the following specifications. The number of the column in which is given the required instruction and the kind of information to be entered therein is indicated by a descriptive title indicating briefly the subject to which it relates.

Column 4. Age. The age of each alien must be expressed in years or months; the latter if under one year of age.

Column 5. Sex. Enter M for male, F for female.

Column 6. Whether married or single. Enter M for married, S (single), W (widowed), or D (divorced).

Column 7. Occupation. Every person over 10 years of age should be returned as having some occupation, even if a child or wife, in which case the occupation of "child" or "wife" should be returned. If no occupation, the word "none" should be entered. Persons of no occupation should not be returned as laborers, farmers, or servants, unless they usually follow one of these occupations.

A distinction should be made between a laborer who works for wages and one who works on his own account. Persons who work for wages should be returned as laborers, mechanics, servants, etc., according to the nature of the work they perform, and persons who work on their own account should be returned as farmers, manufacturers, merchants, etc., according to the nature of the business they conduct. Persons who have no occupation should be returned as "none." Particular attention is directed to the necessity of using the proper terms in describing occupations, and the impropriety of using indefinite terms, such as "engineer," "clerk," "agent," "operative," "laborer," "dealer," "manufacturer," "contractor," "trader," "speculator," "capitalist," "gentleman," "lady," "boy," "girl," "baby," "child," "scholar," "student," "pupil," "infant," "minor," "son," "daughter," "brother," "sister," "relative," "family," "servant," "help," "hand," "apprentice," "journeyman," "workman," "workwoman," "hired man," "hired girl," "man," "woman," "person," "people," "passenger," "cripple," "deformity," "idiot," "insane," "imbecile," "feeble-minded," "pauper," "convict," "prisoner," "colored," "white," "black," "mulatto," "quadroon," "octoroon," "Negro," "Chinese," "Japanese," "Indian," "tramp," "unknown," "none," or other indefinite or improper terms.

Column 8. Can read? Can write? Can both read and write? Every person over 14 years of age should be returned as able to read unless he is unable to read any language or character, and every person over 14 years of age should be returned as able to write unless he is unable to write any language or character. No person under 14 years of age should be returned as able to read or write unless he can read or write a language or character.

Column 9. Country of birth. Enter the name of the country in which each person was born. Persons born in Germany, Austria-Hungary, Russia, Turkey, or Great Britain should be returned as natives of the empire, kingdom, or republic, and not as natives of the constituent states, provinces, or colonies.

Column 10. Race or people. Enter the race or people to which each person belongs.

Special attention is directed to the necessity for using the proper terms to indicate race or people and nationality and to the impropriety of using indefinite terms in this regard. For instance, "French" might be used to indicate either race or people or nationality, and similarly "American" does not indicate whether a person is white or black, or native or naturalized, or belongs to any one of several races or peoples. Persons born in Canada, for instance, might properly come under the heading of any one of several races or peoples or nationalities. In this connection the following specifications are given:

The term "Cuban" refers to the people of the island of Cuba.

"West Indian" refers to the people of the West Indies, including the Bahama Islands, Barbados, Bermuda, Jamaica, Leeward Islands, Trinidad, Windward Islands, and other British West Indies.

SPECIAL INSTRUCTIONS FOR FILLING OUT ALIEN MANIFESTS.

The information required on the manifest (Forms 500, 500A, and 501) so far as it relates to alien arrivals for filling thereon in transit shall hereafter be made in accordance with the following classifications. The number of [illegible] is given in these special instructions and is followed in parentheses by the [illegible] including column 16, by a descriptive title indicating briefly the subject to which it relates.

Column 1 (Age).—The entry of age in figures, giving the years and in years or months, the latter applying only to those under 1 year of age.

Column 2 (Sex).—The entry is to be made by writing M for male or F for female.

Column 3 (Married or single).—The entry is to be made by writing M for married or S for single. Widowed or divorced.

Column 4 (Calling or occupation).—The entry is to be made to describe as accurately as possible the occupation, trade, profession, or other calling, as for example: Civil engineer, stationery engineer, mining engineer, mechanical engineer, machinist, brass polisher, steel polisher, iron molder, wood carver, cabinetmaker, bookbinder, tailor, tailoress, baker, turner, or other definite description.

A distinction should be made between *farmer* and *farm laborer*, regardless of the amount of money shown as brought.

A farmer is one who owns or rents a farm, which he cultivates for himself or others.

A farm laborer is one who works on a farm for others for wages.

Steamship companies should make the entries in columns 1, 2, 3, and 4 on the manifests, and corrections should be made, if necessary, by the examining officers during the personal examination of alien arrivals.

Column 7 (Able to read and write).—Column 7 is to be filled, and the entries therein should be either Yes—Yes (can read and write). No—No (can neither read nor write). Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be considered to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors or other clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is a Jew, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH.

Spanish refers to the people of Castile [illegible]
Spain.

AZORES.

Azores, Islands [illegible] Atlantic Ocean, sometimes called Western Islands. The West [illegible] Atlantic Ocean, [illegible] Madeira Islands, [illegible] Portuguese [illegible]

ITALIAN (NORTH).

The people who are native to the [illegible] Piedmont, Lombardy, Venetia and [illegible] belonging to Italy, Switzerland, Austria, or Dalmatia north [illegible] Most of these people [illegible]

ITALIAN (SOUTH).

The people who are natives of the provinces [illegible] compartments of Lazio, Tuscany, Marches, [illegible] Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and who [illegible] be classed as Italian (south).

Column 10 (Last residence).—The entry in column 10 should describe as accurately as possible the country or town of last permanent residence. Ireland is not a country, nor is Scotland. The entry should be the country or town of last permanent residence.

Column 11 (Final destination).—The entry in column 11 should show, as definitely as possible, the place—city or town—of final destination.

Column 12 (Whether having ticket through from point of departure).—The entry in column 12 should be either Yes—ticket or No—no ticket.

Column 13 (By whom was passage paid).—The entry in column 13 should show definitely by whom passage was paid as self, husband, father, brother, other relative, friend, steamship company, etc.

Column 14 (Whether in possession of $50 and if less how much).—The entry in column 14 should give in each case individual or family the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States, and if so, when and where).—The entries in column 15 should show whether or not (Yes or No) in the United States before, and if so, the year or period of years and place, as, 1894-97, Philadelphia.

Column 16 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 16 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 17 to 28.—The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information required on the manifest (Forms 2 and A and 2 B), so far as it relates to alien arrivals, including those in transit through the United States, is to be given in accordance with the following classifications. The arrangement of columns on the manifest is given in these special instructions and is followed by paragraphs in the same order, including column 16, by a descriptive title indicating briefly the subject to which it relates.

Column 1 (Age).—The return of age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 2 (Sex).—The entry in column 2 should be either M (male) or F (female).

Column 3 (Married or single).—The entry in column 3 should be either M (married), S (single), W (widowed), or D (divorced).

Column 4 (Calling or occupation).—The entry in column 4 should describe as accurately as possible the occupation of each alien arrival as [illegible] Civil engineer, stationary engineer, [illegible] engineer, brass polisher, steel polisher, iron molder, wheelwright, and not simply as engineer, polisher, molder, turner, or other indefinite description.

A distinction should be made between *farmers* and *farm laborers* regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either his own or those of others.

A farm laborer is one who works on a farm for wages or who operates it.

Steamship companies should make the distinction in the manifests and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 5 (Able to read and write).—Column 5 is self-explanatory and the entries therein should be either Yes—Yes can read and write; No—No can neither read nor write; or (6)—No can read but not write.

Column 8 (Last residence).—The entry in column 8 should show the country and city or town of last permanent residence, instead of the place from which sailed.

Column 9 (Final destination).—The entry in column 9 should show the place (city or town) of final destination.

Column 10 (Whether having a ticket through to destination).—The entry in column 10 should be either Yes (ticket or No (no ticket).

Column 11 (By whom was passage paid).—The entry in column 11 should show definitely by whom passage was paid as self, husband, father, brother, or other relative, friend, steamship company, etc.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information returned on the manifest (Forms 500 A and 500 B), so far as it relates to alien arrivals (including those in transit and [illegible]), should be made in accordance with the following classifications. The manner of [illegible] manifest is given in these special instructions and be followed, as far as [illegible] including column 16, by a descriptive title indicating briefly the subject to which it relates.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd. (widowed), or D. (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, cook, and not simply as engineer, polisher, molder, turner, or other indefinite description.

A distinction should be made between *laborers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either his own or those of others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make the distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write).—Column 7 must be filled and the entries therein should be either Yes—Yes, can read and write; No—No, can neither read nor write; or yes—No, can read but not write.

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH.

Spanish (not American) refers to the people of Castile and Spain (not Spanish-American).

AFRICAN (BLACK).

African (black) refers to the African Negro, whether coming from Africa, the West Indies, or elsewhere. American Negro (native-born) is not to be reported as an alien, no matter what appearance indicates (native-born, though [illegible] claim to be citizens of [illegible]).

ITALIAN (NORTH).

The people who are native to the basin of the River Po, embracing [illegible] departments of Piedmont, Lombardy, Venetia, and Emilia, and those [illegible] residing in Italy, Switzerland, Austria-Hungary, [illegible] as Italian north. Many of these people [illegible] the Padan language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy [illegible] the compartments of Liguria, Tuscany, Marches, Umbria, Abruzzi, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and those [illegible] classed as "Italian (south)."

Column 10 (Last residence).—The entry in column 10 should show the country and city or town of last permanent residence, instead of [illegible] or town.

Column 11 (Final destination).—The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (Whether having a ticket to such final destination).—The entry in column 12 should be either Yes (a ticket) or No (no ticket).

Column 13 (By whom was passage paid).—The entry in column 13 should show definitely by whom passage was paid as well, husband, father, brother, or other relative, friend, steamship company, etc.

Column 14 (Whether in possession of $50 and if less, how much).—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States, and if so, when and where).—The entries in column 15 should show whether or not (Yes or No) in the United States before, and if so, the year or period of years and place, as 1894, Philadelphia.

Column 16 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 16 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 17 to 22.—The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information returned on the manifest (Forms No. 500 A. and 500 B), so far as it relates to alien arrivals (including those in transit and "cabin"), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed in parentheses in all cases by a word including column 16, by a descriptive title indicating briefly the subject to which it relates.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation of a person of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies (other than Cuba (not Negroes).

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South American descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether native of Africa or of the islands of the West Indies, Central America, Europe, or elsewhere. All persons of African appearance or indistinct admixture of Negro blood should be classified under this head.

ITALIAN (NORTH).

The people who are native to the basin of the River Po and the basins of the small rivers and compartments of Piedmont, Lombardy, Venetia, and Liguria, and those descendants who, residing in Italy, Switzerland, Austria-Hungary, or other countries, describe themselves as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy, south of the basins of the rivers and compartments of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzi, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants, are to be classed as "Italian (south)."

Column 10 (Last residence).—The entry in column 10 should show the country and city or town of last permanent residence, instead of the province, state, or town.

Column 11 (Final destination).—The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (Whether having a ticket to such final destination).—The entry in column 12 should be either Yes (ticket), or No (no ticket).

Column 13 (By whom was passage paid).—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 14 (Whether in possession of $50, and if less, how much).—The entry in column 14 should give in each case (individual or families) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States; and if so, when and where).—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place, as 1894-97, Philadelphia.

Column 16 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 16 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 17 to 32.—The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information returned on the manifest (Forms 500, 500-A, and 500-B), so far as it relates to alien arrivals (including those in transit and deserters), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed in parentheses by all words used in and including column 16, by a descriptive title indicating briefly the subject to which it relates.

Column 3 (Age).—The return of age in column 3 is also to be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married) S (single), Wd (widower or widow), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America, and their descendants.

AFRICAN (BLACK).

African (black) refers to the African Negro, whether coming from Africa, the islands of the West Indies, Central America, South America, Europe, or Asia. Any appearance indicative of admixture of negro blood should be classified under this head.

ITALIAN (NORTH).

The people who are native to the basin of the River Po and northern Italy, i. e., the departments of Piedmont, Lombardy, Venetia, and Liguria, Tuscany, Marches, Umbria, Latium, Abruzzi, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and the descendants, should be classed as "Italian (south)."

Column 10 (Last residence).—The entry in column 10 should show the country, and city or town of last permanent residence, instead of the province, state, or town.

Column 11 (Final destination).—The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (Whether having a ticket to such final destination).—The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom was passage paid).—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative or friend; steamship company, etc.

Column 14 (Whether in possession of $50 and if less, how much).—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States; and if so, when and where).—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1891-97, Philadelphia.

Column 16 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 17 to 22.—The answers in these columns are subject to revision by any inspection officer in the examination of immigrant.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information returned on the manifest [Forms 500, 500A, and 500B], so far as it relates to alien arrivals (including those in transit across the country), should be made in accordance with the following classifications. The number of the column to which each fact is given in these special instructions and is followed in parentheses by the heading thereof including column 16, by a descriptive title indicating briefly the subject to which it relates.

Column 3 (Age).—The return of age in each case will be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example, Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc. And not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for wages, which operates it.

Steamship companies should make their instructions to the manifests and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write). No—No (can neither read nor write). or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH.

Spanish (American) refers to the people of Central and South American countries, Mexico, and Spain.

AFRICAN (BLACK).

African (black) refers to the black race of Africa, including Cape Verde Islands, Madeira Islands, Azores Islands, Canary Islands, and all persons of the black race coming from countries in Africa.

ITALIAN (NORTH).

The people who are native to the basin of the River Po comprising the provinces or departments of Piedmont, Lombardy, Venetia, and Emilia, and the Provinces of Massa and Carrara in Italy, Switzerland, Austria-Hungary, and San Marino, are to be classed as "Italian (north)." Most of these people speak either French, Provençal, Franco-Provençal, or one of the Rhætian dialects.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the provinces of Massa and Carrara, Pisa, Florence, Arezzo, Siena, Grosseto, Leghorn, Lucca, and the compartments of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzi, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and the Provinces of Rieti, Aquila, Teramo, Chieti, Campobasso, Benevento, Caserta, Naples, Foggia, Bari, Lecce, Reggio, Catanzaro, Cosenza, Trapani, Palermo, Girgenti, Caltanissetta, Catania, Siracusa, Messina, and Trapani, are to be classed as "Italian (south)."

Column 10 (Last residence).—The entry in column 10 should show the country and city or town of last permanent residence, as Germany, Berlin; France, Paris; Russia, Libau.

Column 11 (Final destination).—The entry in column 11 should show the destination, as city or town of final destination.

Column 12 (Whether having a ticket to such final destination).—The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom was passage paid).—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 14 (Whether in possession of $50 and if less how much).—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States, and if so, when and where).—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year or period of years; and place; as, 1894-97, Philadelphia.

Column 16 (Going to join relative or friend, and if so, what relative or friend).—The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 17 to 22.—The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information required on the manifest (Forms 50, 50A, and 50B), so far as it relates to alien arrivals (including those in transit and sojourners), should be made in accordance with the following classifications. The number of the line on the manifest is given in these special instructions and is followed in parentheses by the number of the column, including column 16, by a descriptive title indicating briefly the subject to which it relates.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should describe M (male) or F (female).

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information returned on the manifest (Forms 500, 500 A, and 500 B), so far as it relates to alien arrivals (including those in transit), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed in parentheses in all cases by the title, including column 16, by a descriptive title indicating briefly the subject to which it relates.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designation.

A distinction should be made between *farmer* and *farm laborer*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make the distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write).—Column 7 is ruled into and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH.

Spanish American refers to the people of Central and South American countries.

AFRICAN (BLACK).

African (black) refers to the Negroes of Africa, whether natives of Africa or of the islands of the West Indies, South America, Europe, or North America. In all cases the appearance and not the country of origin should be the basis of classification.

ITALIAN (NORTH).

The people who are native to the kingdom of Italy, Republic of San Marino, and Papal Territory, and to the departments of Piedmont, Lombardy, Venetia, and Liguria and the tier of departments south of them, including all of those people residing in Italy, Switzerland, Austria-Hungary, and other countries, commonly known as "Italian north." Most of these people speak a so-called dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy, and to the islands of Sicily and Sardinia, comprising the compartments of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzi, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and commonly designated as "Italian south."

Column 10 (Last residence).—The entry in column 10 should show the country and city or town of last permanent residence, instead of the temporary residence, of each alien.

Column 11 (Final destination).—The entry in column 11 should show the name of the place (city or town) of final destination.

Column 12 (Whether having a ticket to such final destination).—The entry in column 12 should be either Yes (ticketed) or No (not ticketed).

Column 13 (By whom was passage paid).—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, other relative, friend, steamship company, etc.

Column 14 (Whether in possession of $50 and if less, how much).—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States, and if so, when and where).—The entries in column 15 should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place, as 1894, Philadelphia.

Column 16 (Going to join relative or friend, and if so, what relative or friend).—The entry in column 16 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 17 to 22.—The answers in these columns are subject to revision by the inspection officer in the examination of immigrant.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS RELATING TO ALIEN MANIFESTS.

The information returned on the manifest (Forms 500A and 500B), so far as it relates to alien arrivals (excluding those in transit and cabin), should be made in accordance with the following classifications. The number of the column to which each is given in these special instructions and is followed by explanations in all columns up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should describe as Male or Female.

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of the alien at the time of arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designation.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either his own or that of others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should instruct their agents that the manifests and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write).—Column 7 should be carefully noted and the entries thereon should be either Yes—Yes can read and write; No—No can neither read nor write; or Yes—No can read but not write.

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien with Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH.

"Spanish" or "Spanish-American" refers to the people of Continental Spain and her former colonies, except Cuba and Porto Rico, and their descendants.

SYRIAN.

A Syrian should be described as Syrian, whether Arabic, Turkish, or Hebrew. Where a Syrian has resided in Turkey, Arabia, or Egypt, the last country of residence should be stated in column 10.

ITALIAN (NORTH).

The people who are native to the following Kingdom and Provinces: Kingdom of Italy, Provinces of Piedmont, Lombardy, Venetia, Liguria, Emilia and Tuscany, and the Republic of San Marino, residing in Italy, Switzerland, Austria-Hungary, [illegible] as "Italian (north)." Most of these people speak a language which is a dialect of French.

ITALIAN (SOUTH).

The people who are native to the provinces [illegible] compartments of Liguria, Emilia, Tuscany, Umbria, Marches, Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and the Kingdom of Italy, will be classed as "Italian (south)."

Column 10 (Last residence).—The entry in column 10 should show the country and city or town of last permanent residence of each alien.

Column 11 (Final destination).—The entry in column 11 should show the ultimate place, city or town, of final destination.

Column 12 (Whether having ticket to such final destination).—The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom was passage paid).—The entry in column 13 should show definitely by whom passage was paid as self, husband, father, brother, other relative, friend, steamship company, etc.

Column 14 (Whether in possession of $50 and if not, how much).—The entry in column 14 should give in each case individual or family the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States, and if so, when and where).—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year or period of years and place, as 1894-97, Philadelphia.

Column 16 (Going to join relative or friend, and if so, what relative or friend).—The entry in column 16 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 17 to 32.—The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information returned on the manifest (Forms 502-A and 502-B), so far as it relates to alien arrivals (excluding those in transit and quasi-transit), should be made in accordance with the following classifications. The number of the column in the manifest is given in these special instructions and is followed in parentheses by the caption used including column 16, by a descriptive title indicating briefly the subject to which it relates.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married) or S (single) or Wd (widowed) or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation pursued by the alien at the time of his coming to this country. Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply engineer, polisher, molder, turner, or other indefinite designation.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction in the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write).—Column 7 is self-explanatory, and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

Spanish-American refers to the people of Central and South America and their descendants.

AFRICAN (BLACK).

African (black) refers to the African Negro, whether resident in the United States, the Islands of the West Indies, Central America, South America, Europe, or Africa. His appearance indicates unmistakably that negro blood should be classified under this race.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy, comprising the compartments of Piedmont, Lombardy, Venetia, and Emilia and their descendants wherever residing in Italy, Switzerland, Austria-Hungary, France, or elsewhere, should be returned as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the Po, i. e., the compartments of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzi, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants wherever residing, should be classed as "Italian (south)."

Column 10 (Last residence).—The entry in column 10 should show the country and city or town of last permanent residence, instead of the province, city, or town.

Column 11 (Final destination).—The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (Whether having a ticket to such final destination).—The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom was passage paid).—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 14 (Whether in possession of $50, and if less, how much).—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States; and if so, when and where).—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1891-'96, Philadelphia.

Column 16 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 16 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 17 to 20.—The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information returned on the manifest (Forms 101A and 101B) so far as it relates to alien arrivals (including those in transit and to leave) should be made in accordance with the following classifications. The number of the question to be answered is given in these special instructions and is followed, in parentheses, in all cases up to and including column 16, by a descriptive note indicating briefly the subject to which it relates.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to children under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M, male, or F, female.

Column 5 (Married or single).—The entry in column 5 should be either M, married, S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make the classification in the manifests and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write).—Column 7 is self-explanatory and the entries therein should be either Yes—Yes (can read and write). No—No (can neither read nor write). or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom, or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH.

Spanish or Spanish American refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

African (black) refers to the people of Africa (Negroes), Haiti, Jamaica, and other islands of the West Indies, Central and South America, having the characteristic appearance indicating African descent, and should always be classed under this race.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in the following compartments of Piedmont, Lombardy, Venetia, or Liguria, and those descended from persons residing in Italy, Switzerland, Austria-Hungary, or other countries, who are known as Italian north. Many of these people came to the United States via [illegible]

ITALIAN (SOUTH).

The people who are native to the following compartments of Italy, viz: [illegible] compartments of Liguria, Tuscany, Marches, Umbria, and the Abruzzi, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and those descended from persons residing in these compartments, should be classed as "Italian (south)."

Column 10 (Last residence).—The entry in column 10 should show the country and city or town of last permanent residence (instead of the previous visit, if any).

Column 11 (Final destination).—The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (Whether having a ticket to such final destination).—The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom was passage paid).—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 14 (Whether in possession of $50, and if less, how much).—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States, and if so, when and where).—The entries in column 15 should show whether or not (Yes or No) in the United States before, and if so, the year or period of years and places, as, 1901-06, Philadelphia.

Column 16 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 16 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 17 to 22.—The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information required on the manifest (Forms 8500 [illegible] A and 8500 B [illegible] blanks 500, 500 A, and 500 B [illegible], so far as it relates to alien arrivals, including those in transit and tourists, should be made in accordance with the following classification. The number of the column on the manifest is given in these special instructions and should be followed, in parentheses, in all cases up to and including column 20, as descriptive of the subject to which it relates.

Column 1 (Age).—The entries in column 1 should be recorded in years or months, the latter applying only to those under 1 year of age.

Column 2 (Sex).—The entry in column 2 should be either M (male) or F (female).

Column 3 (Married or single).—The entry in column 3 should be either M, married, S (single), W (widowed), or D (divorced).

Column 4 (Calling or occupation).—The entry in column 4 should show as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, coal miner, locomotive engineer, mining engineer, blacksmith, painter, steel polisher, iron molder, wood turner, etc., and not laborer or engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmer* and *farm laborer*, regardless of the amount of money she may have in her possession.

A farmer is one who owns a farm or rents it for gain or profit.

A farm laborer is one who works on a farm for hire, or who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 5 (Able to read and write).—Column 5 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be considered as mean the country of which immigrant is a citizen or subject, and not country of last permanent residence.

Column 9 (Race or people).—The entry in column 9 should show races or peoples as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negroes, whether coming from Africa or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates any admixture of negro blood should be classified under this head.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy, i. e., the provinces of Piedmont, Lombardy, Venetia, and Emilia and their descendants, possessing in Italy, Switzerland, Austria, Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect and are higher types.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po, i. e., the provinces of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzi, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants, should be classed as "Italian (south)."

Column 11 (Last residence).—The entry in column 11 should show the country and city or town of last permanent residence, instead of the mere seaport city, or town.

Column 12 (Final destination).—The entry in column 12 should show ultimately intended place of residence, or destination, instead of the mere seaport city, or town.

Column 13 (Whether having a ticket to such final destination).—The entry in column 13 should be either Yes (ticket) or No (no ticket).

Column 14 (By whom was passage paid).—The entry in column 14 should show whether by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 15 (Whether in possession of $50, and if less, how much).—The entry in column 14 should give in each case individual or family the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (Whether ever before in the United States; and if so, when and where).—The entries in column 17 should show whether or not (Yes or No) in the United States before, and if so, the year or period of years and place; as, 1894-97, Philadelphia.

Column 18 (Going to join relative or friend, and if so, what relative or friend).—The entry in column 16 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 1 to 22.—The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

Affidavit of the Master, Commanding Officer, or First or Second Officer.

I, [illegible], [illegible] of the [illegible] of [illegible] tons, built at [illegible] in the year [illegible], and now lying in the port of [illegible], and bound from [illegible] to [illegible], do solemnly and truly declare that I am the master [illegible] of the said vessel; that the following is a true list of all persons who have been employed on board the said vessel during the voyage commenced by her at the aforesaid port of [illegible] and ended at the time of the report hereof, so far as I have been able to ascertain the same; that the foregoing [illegible] List or Manifest [illegible] of [illegible] contains a full, true, and correct account of all persons who have been employed as aforesaid; that I have made a diligent search into the circumstances of each person mentioned therein; that I have caused the surgeon to examine all such persons; and that I have delivered to the surgeon a correct list of all such persons, and have required him to report to me in writing the name of every person whom he may think afflicted with any loathsome or dangerous disease, or who may be in such a state of health as to render it unsafe to allow him to land with the rest of the passengers, and that no person with any such disease or in any such state of health has been concealed from the surgeon; that I have not received on board the said vessel, nor have any of the crew to my knowledge or belief received on board, any goods, wares, or merchandise whatever from any vessel in distress, or from any other vessel or boat, or from any person whatever, except [illegible]; that I have not transferred to any vessel, boat, or person whatever, any goods, wares, or merchandise, except [illegible]; that I have not destroyed, thrown overboard, or otherwise parted with any goods, wares, or merchandise which I have had on board during the voyage, except [illegible]; that I have not, to the best of my knowledge and belief, been concerned in any fraud or violation of the law in bringing to the United States any person mentioned in the said list or manifest, or in the report hereof; and that the said list or manifest and report are in all respects true and correct.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS RELATIVE TO ALIEN MANIFESTS.

The information returned on the manifests [illegible] so far as it relates to alien arrivals, including those in transit, is required to be in accordance with the following classifications. [illegible] is given on these special instructions and is followed [illegible] including column 16, by a descriptive title indicating briefly the subject to which it relates.

Column 1 (Age).—The return of age [illegible] months, the latter applying only to those under 1 year old.

Column 2 (Sex).—The entry is to be [illegible] M for male or F for female.

Column 3 (Married or single).—The entry is to be [illegible] M for married or S for single. Widowed and divorced persons should be returned as single.

Column 4 (Calling or occupation).—The object of [illegible] is to ascertain as nearly as possible the occupation [illegible] of persons arriving as immigrants. Civil engineer, stationary engineer, locomotive engineer, mining engineer, [illegible] steel polisher, tinner, or other [illegible] description.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money [illegible] shown.

A farmer [illegible] operates a farm, either his own or those [illegible] others.

A farm laborer [illegible] works on a farm for [illegible] others.

Steamship companies [illegible] should furnish to the [illegible] their manifests and corrections should be made, if necessary, [illegible] and by any clerks during the [illegible] examination of aliens arriving.

Column 7 (Able to read and write).—[illegible] and the entries therein should be either Yes—Yes [illegible] No—No [illegible] neither read nor write.

Yes—No can read but not write.

Column 8 (Nationality).—Column 8 should be returned to show the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on reverse side of [illegible] manifest.

Special attention should be paid to the [illegible] of nationality and race. For instance, "France" appearing on a manifest does not necessarily mean French by race or people, and similarly, French appearing on a manifest does not necessarily mean "France" by nationality. An alien who is a Dane, German, or Hebrew by race might properly come under the heading of United States, or any other country, so far as nationality. In this connection the following definitions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people, not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH.

The term "Spanish" [illegible] Spanish-American [illegible] descent.

SYRIAN.

[illegible]

ITALIAN.

The people who are native [illegible] the kingdom of Italy, comprising the departments of Piedmont, Lombardy, Venetia, [illegible] Liguria, Tuscany, Umbria, the Marches, and Latium, north [illegible]

The people who are native [illegible] the kingdom of Italy, comprising the departments of Campania, Apulia, Basilicata, Calabria, Abruzzi, and Molise, Sicily, Sardinia, and Pelagian islands.

Column 10 (Last residence).—The entry in column 10 should show the country from which the immigrant came to the United States, whether it be his permanent residence or not. If he has been living for a short time in a country other than that of his birth, the entry should show the place of birth, and not the place of last residence.

Column 11 (Final destination).—The entry in column 11 should show the place to which the immigrant is destined, whether it be a city, town, or village, and the State. If destined to a city, the street address should be given, if known.

Column 12 (Whether going to join a relative or friend, and if so, what relative or friend, with name and complete address).—The entry in column 12 should show whether the immigrant has friends or relatives to whom he is going, and if so, what relatives or friends, with their names and complete addresses.

Column 13 (Whether in possession of $50, and if less than $50, how much).—The entry in column 13 should show whether the immigrant has in his possession at the time of his arrival fifty dollars in money, and if he has less than fifty dollars, the exact amount he has.

Column 14 (Whether ever before in the United States, and if so, when and where).—The entry in column 14 should show whether the immigrant has ever been in the United States before, and if so, the year or period of years and place or places, as 1893, Philadelphia.

Column 15 (Whether coming to join husband, wife, father, mother, or other relative or friend).—The entry in column 15 should show whether going to join father, mother, husband, wife, or friend, and if so, what relative or friend, with name and complete address.

Columns 16 to [illegible].—The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

The particular column in which each item is given in these special instructions and is followed in parentheses by the number of such column, including column 16, by a descriptive title indicating briefly the subject to which it relates.

An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

Spanish-American is also used to designate the people of Spanish America, including Mexico, Central America, and South America, and the West Indies, except Cuba, and in this sense it is used in the manifests. The appearance of Spanish-American on a manifest does not necessarily mean that the person is a citizen of the United States.

Armenian refers to the Armenians of Asia Minor, Armenia, Persia, Turkey in Asia, Syria, Palestine, Egypt, and the Armenians of Europe, including Russia, Austria-Hungary, Turkey in Europe, Greece, Roumania, Bulgaria, Servia, Montenegro, and the Armenians of the United States. The appearance of Armenian on a manifest does not necessarily mean that the person is a citizen of the United States.

The information required on the manifest (Forms 6A and 6B), so far as it relates to alien arrivals (including those in transit), should be made in accordance with the following classifications. Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make inquiries in connection with manifests and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write).—Column 7 is self-explanatory and the entries therein should be either Yes—Yes (can read and write); No—No (can neither read nor write); or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH.

"Spanish" or "Spanish-American" refers to the people of Central and South American countries.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming direct from Africa or from the West Indies, Central or South America, Europe or Asia. All members of this race, irrespective of locality in which they may be found or their place of birth, or their appearance, indicating admixture of white blood, should be classified under this head.

ITALIAN (NORTH).

ITALIAN (SOUTH).

The people who are natives of that portion of Italy embraced in the provinces and compartments of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily and Sardinia and shall be classed as "Italian (south)."

Column 10 (Last residence).—The entry in column 10 should show the country, city or town of last permanent residence (legal or otherwise) of the person under inspection.

Column 11 (Final destination).—The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (Whether having a ticket to such final destination).—The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom was passage paid).—The entry in column 13 should show definitely by whom passage was paid as self, husband, father, brother, or other relative, friend, steamship company, etc.

Money brought by the head of a family should not be divided among the several members of the family.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information required on the manifest (Forms 101 A and 101 B), so far as it relates to alien arrivals (including those in transit), should be made in accordance with the following classifications. The number of the column to which each is given in these special instructions and is followed in parentheses by all the words used (including column 16, by a descriptive title indicating briefly the subject to which it relates.

Column 1 (Age).—The return of age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 2 (Sex).—The entry in column 2 should be either M (male) or F (female).

Column 3 (Married or single).—The entry in column 3 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 4 (Calling or occupation).—The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of each alien, as a farmer, laborer, servant, Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood carver, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designation.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who owns or hires a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make no entries on the manifests and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 5 (Able to read and write).—Column 5 is self-explanatory and the entries therein should be either Yes—Yes, can read and write; No—No, can neither read nor write; or Yes—No, can read but not write.

Column 6 (Nationality).—Column 6 should be construed to mean the country of which immigrant is a citizen or subject.

Column 7 (Race or people).—The entry in column 7 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH.

Spanish-American [illegible] to the people [illegible] classes.

AFRICAN (BLACK).

African (black) [illegible] Africa, North [illegible] Islands, West [illegible] Spanish America, Europe, etc., [illegible] appearance and color of negro [illegible] be described under 16.

EASTERN HEBREW.

The people who are native to the [illegible] the Black Sea to the Baltic [illegible] as Russia north. Most of these people speak [illegible] Hebrew [illegible]

ITALIAN.

The people who are native to [illegible] compartments of Lombardy, Tuscany, Marches, [illegible] Campania, Apulia, Basilicata, Calabria, Sicily, Sardinia, and the Islands [illegible] as classed as Italian (south).

Column 8 (Last residence).—The entry in column 8 should show the country and city or town of last permanent residence, instead of the port from which sailed.

Column 9 (Final destination).—The entry in column 9 should show definitely the place, city or town, of final destination.

Column 10 (Whether having a ticket to such final destination).—The entry in column 10 should be either Yes (ticket) or No (no ticket).

Column 11 (By whom was passage paid).—The entry in column 11 must show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 12 (Whether in possession of $50 and if less, how much).—The entry in column 14 should give in each case individual or family the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 13 (Whether ever before in the United States; and if so, when and where).—The entries in column 13 should show whether or not (Yes or No) in the United States before; and if so, the year or period of years and place; as 1894-97, Philadelphia.

Column 14 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 16 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Column 5 (Sex).—The entry in column 5 should be either M (male) or F (female).

Column 6 (Married or single).—The entry in column 6 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (Calling or occupation).—The entry in column 7 should describe as accurately as possible the occupation, trade, or profession of each alien at arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm, for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 8 (Able to read and write).—Column 8 is subdivided and the entries therein should be either Yes—Yes (can read and write); No—No (can neither read nor write); or Yes—No (can read but not write).

Column 9 (Nationality).—Column 9 should be construed to mean the country of which immigrant is a citizen or subject.

Column 10 (Race or people).—The entry in column 10 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Central America, islands of the West Indies, North or South America, Europe, or Africa. Any person of African appearance indicates more or less of negro blood, should be classified under this head.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy, comprising the departments of Piedmont, Lombardy, Venetia, and Emilia and their descendants wherever residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Padua language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po, i. e., compartments of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzi, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and the adjacent islands, should be classed as "Italian (south)."

Column 20 (Last residence).—The entry in column 20 should show the country, and city or town of last permanent residence, instead of the province, etc., or town.

Column 21 (Final destination).—The entry in column 21 should show definitely the place (city or town) of final destination.

Column 12 (Whether having a ticket to such final destination).—The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom aren's passage paid).—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 14 (Whether in possession of $50 and if less, how much).—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States; and if so, when and where).—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1891-97, Philadelphia.

Column 16 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 16 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 17 to 32.—The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information returned on the manifest [Forms 500, 500 A, and 500 B], so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, by all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien on arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make the distinction on the manifests and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

African (black) refers to the African Negro, whether coming from Africa or the islands of the West Indies, Canada, South America, Europe, or Asia. Any admixture of appearance indicative of admixture of negro blood should be classified under this head.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy, comprising the compartments of Piedmont, Lombardy, Venetia, and Emilia and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the Po, i. e., the compartments of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzi, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants, should be classed as "Italian (south)."

Column 10 (Last residence).—The entry in column 10 should be the country and city or town of last permanent residence, instead of the province, city, or town.

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination.

Column 13 (Whether having a ticket to such final destination).—The entry in column 13 should be either Yes (ticket) or No (no ticket).

Column 14 (By whom was passage paid).—The entry in column 14 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 15 (Whether in possession of $—and if less, how much).—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States, and if so, when and where).—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year or period of years and place; as, 1894-97, Philadelphia.

Column 16 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 16 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 17 to 22.—The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information returned on the manifest [Forms 500, 500 A, and 500 B], so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases (except 1 and 2) by a descriptive title indicating briefly the subject to which it relates.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Africa, the islands of the West Indies, Central or South America, Europe or Africa. Any person whose appearance indicates mixed African blood should be classified under this head.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy, i. e., the compartments of Piedmont, Lombardy, Venetia and Emilia and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the Po (i. e., the compartments of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzi, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants, should be classed as "Italian (south)."

Column 10 (Last residence).—The entry in column 10 should show the *country and city or town* of last permanent residence, instead of the province, city or town.

Column 11 (Final destination).—The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (Whether having a ticket to such final destination).—The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom was passage paid).—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 14 (Whether in possession of $50, and if less, how much).—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States; and if so, when and where).—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

Column 16 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 16 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 17 to 22.—The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information returned on the manifest (Forms 500, 500A, and 500B), so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write).—Column 7 is subdivided, and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from the West Indian islands or the West Indies, South or South American, Europe, or Africa. Any mixture of negro blood, no matter how small, which appears or indicates itself in the appearance of the person, should be classified under this term.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy, i. e., the provinces of Piedmont, Lombardy, Venetia, and Emilia and their descendants whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the Po, i. e., the provinces of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzi, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants, should be classed as "Italian (south)."

Column 10 (Last residence).—The entry in column 10 should show the country, and city or town of last permanent residence, instead of the province, city, or town.

Column 11 (Final destination).—The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (Whether having a ticket to such final destination).—The entry in column 12 should be either Yes (ticket), or No (no ticket).

Column 13 (By whom was passage paid).—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brothers or other relatives, friend, steamship company, etc.

Column 14 (Whether in possession of $50, and if less, how much).—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States; and if so, when and where).—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

Column 16 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 16 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 17 to 22.—The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Africa, the islands, or the West Indies, or of South America, Europe, or Africa. Any one who has appearance indicating admixture of negro blood should be classified under this head.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy, i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzi, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants, should be classed as "Italian (south)."

Column 10 (Last residence).—The entry in column 10 should show the country, and city or town of last permanent residence, instead of the province, city, or town.

Column 11 (Final destination).—The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (Whether having a ticket to such final destination).—The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom was passage paid).—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 14 (Whether in possession of $50, and if less, how much).—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States, and if so, when and where).—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

Column 16 (Going to join relatives or friends, and if so, what relatives or friends).—The entry in column 16 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 17 to 20.—The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information returned on the manifest [Forms 500, 500A, and 500 B], so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed in parentheses in all cases up to and including column 10, by a descriptive title indicating briefly the subject to which it relates.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example, Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South American States of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Africa or from the islands of the West Indies, Central or South America, Europe or Asia. Any admixture of other appearance indicates a percentage of negro blood, should be classified under this head.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy, i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the Po, i. e., compartments of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzi, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants, should be classed as "Italian (south)."

Column 10 (Last residence).—The entry in column 10 should show the *country and city or town* of last permanent residence, instead of the province, city, or town.

Column 11 (Final destination).—The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (Whether having a ticket to such final destination).—The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom was passage paid).—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 14 (Whether in possession of $50, and if less, how much).—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States; and if so, when and where).—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

Column 16 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 17 to 28.—The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43

The information required by the accompanying blank is to be obtained from each alien in person, and is to be recorded by the examining officer in accordance with the following rules, which are to be followed in the order in which they are given, unless otherwise directed:

Column 1. The number of the list on which the alien appears and his number on the list, the latter appearing prior to the name.

Column 2. Name in full.

Column 3. Married or single. The words "married" and "single" will be used.

Column 4. Occupation. Each person over 14 years of age will be reported as having some occupation, the term "laborer" being used to designate those who work for wages or salary without special skill, and the term "none" to be used only in the case of children or persons of leisure or those who live on their income. Persons who have been employed at any time during the year preceding their application for admission will be reported as having an occupation, even though they may be temporarily out of employment when application is made. Persons who have been employed at different times during the year will be reported as having the occupation at which they were employed for the longest time during the year. Persons who have no occupation will be reported as "none."

A distinction should be made between the word "laborer" when used to indicate the amount of skill possessed by a person and when used to indicate the character of work performed by him. Thus a carpenter, a bricklayer, a mason, a tailor, a machinist, a miner, a blacksmith, a shoemaker, a weaver, a tinsmith, a painter, a plumber, a printer, a turner, etc., should be described as such.

Column 5. Whether able to read or not. Any person who can read in any language or dialect will be reported as able to read.

Column 6. Whether able to write or not. Any person who can write in any language or dialect will be reported as able to write.

Column 7. Whether able to read and write the race or people to which he belongs. Any person who can read and write his own language will be reported as able to read and write his own race or people.

Column 8. Nationality. The country to which each alien owes allegiance will be reported as his nationality. Persons who have become naturalized will be reported by countries the same as in the case of persons who have not become naturalized. Persons appearing on a manifest bearing the name of a race or people will be reported as having the nationality of the country to which such race or people belong. An alien who is a British subject will be reported as a subject of the particular country with which he is identified, as Canada, Australia, India, etc., and not as a subject of Great Britain, unless he is identified with Great Britain as a whole. In this connection the following instructions are given:

The term "Canadian" refers to the Dominion of Canada.

The term "Cuban" refers to the Island of Cuba.

"West Indian" refers to the people of the West Indies, not including Cuba and Newfoundland.

Column 9. Last race or people. The answers in this column are subject to inquiry as to correctness by the examining officer.
